Theology on Tap

Join us for lively conversation and fellowship at the June version of Theology on Tap.

We'll meet at Stabbur Beer Garden (next to Al Johnson's) in Sister Bay at 7:00 p.m. on Wednesday June 20.

"The Milwaukee Handbell Ensemble, led by director John Behnke for one number, performed several times, including an uncondacted, memorized number from the lip of the stage. They played with spirit, precision, and the almost balletic grace the bells require."

~ By Elaine Schmidt, Special to the Journal Sentinel, after their performance with the Milwaukee Symphony Orchestra at their Holiday Pops concert. (2015)

What does it mean to be successful?

In his book, *The Art of Possibility*, Benjamin Zander tells of growing up in a traditional Jewish household which carried with it an assumption that all the children would be “successful.” Each even at the dinner table, the parents asked each child in turn, “What did you do today?” Over the course of time, he came to understand that his parents were not really interested in what he had done; rather, they were interested in what he had achieved.

Achievement has become part of the DNA of our culture. This drive for achievement has allowed us to accomplish extraordinary things, like putting a man on the moon, eradicating small pox, and putting a personal computers in the homes of millions of our citizens.

But we seem to be paying a price. We work hard, often at the expense of relationships. We spend much of our leisure in the company of electronic devices rather than people. We always seem to measure ourselves by the question *Have I done enough?* And we wonder whether we are loved ultimately for what we have done or for who we are.

It's the good news of our faith that God loves us. Period. We don't have to prove our lovability. In our baptism, God has decreed that God loves us. We don't have to prove it; indeed, we can't earn it. That fact that we are lovable flows from God's heart to ours, not from our achievements to God.

All of that can give us a very different perspective on how we live. Instead of measuring ourselves by standards of success, we can simply decide that for God's sake, we will be a contribution. When I decide to be a contribution, no one else's standards can be the measure of my success. We don't have to engage in games of competition for whose life matters more or whose achievements are greater. Someone else's contributions don't detract from my contributions. In fact, we are free to celebrate each other's contributions. In determining to be a contribution, we can wake up each day and take joy in the notion that somehow today, I will be a gift to someone else.

Seems to me that reframing our congregational ministry in this way is also productive. It's time to rid ourselves of the guilt-inducing and shame-producing *shoulds* and *oughts* and *what-ifs*. Instead, we simply decide that we will be a contribution. We will be a contribution to the lives of our members, and to our community. We will be a contribution to our neighbors and to brothers and sisters around the world. We will be a contribution to babies and children and teenagers and young adults and middle-agers and seniors and everyone in between. We will be a contribution to people we have known a long time and people we have just met. We will a contribution to people who look like us and people who don't.

How is God calling us to be a contribution?

Pr. Jim Honig

News from the
Concert Series Committee

The Shepherd of the Bay Concert Series Committee is excited to be able to present the **Milwaukee Handbell Ensemble** in concert on **Friday evening, June 22 at 7:00pm**. Over the past 15 years, Milwaukee Handbell Ensemble has gained wide popularity for their amazing memorized performances and technical execution. Under the direction of Dr. John Behnke, these 16 ringers will present a dazzling performance playing 73 handbells and 73 hand chimes. Their mission is "To further the art of handbell ringing by educating, inspiring and informing others on the art form" by showcasing advanced handbell repertoire while being a musical resource for the Milwaukee metropolitan area and beyond.

You won't want to miss this concert!

In order for this concert to be possible, we need some help from our Shepherd of the Bay community. Our 16 ringers need a place to rest their heads following concert. If you would be willing to host a couple of our guest artists overnight on Friday, June 22, please contact either Greg Beem (262-914-5629), Mary Purdue (920-421-0390) or Cheryl Becht (563-940-7868). We very much appreciate your part in helping to make this a successful concert event!

Building and Grounds Committee

Building Maintenance

The 2 Exit lights that were found not working, during the Annual Fire Inspection, have been replaced. The ballast in the ceiling light over the Youth Ministries desk was replaced, so Jane is no longer working in the dark. The hole in the wood Baptismal candle stand was enlarged to accept a brass candle cup. The new cup will make it much easier to remove the old candle. The HVAC system has had its Spring inspection and air filters changed. All is well. A couple of ceiling lights have burned out in the Parlor and we have decided to convert all of them to LEDs. Thank you, Joel.

Some of the hidden treasures behind the Garden Shed have been pulled from the tall grass and found their way to the dumpster. More will soon follow.

Bus Garage/Storage Building

The Council at their May 22nd meeting approved the building of the Shuttle Bus Garage/ Storage Building. They asked the B&G's Committee to consider their concerns relating to the aesthetics of the building and its location. Prior to the Council the total cost of the Project had been reviewed and approved by the Donor. During the May 17th meeting of the Building and Grounds Committee the quotes were reviewed and a Builder was selected. All this was presented to the Council for their review and approval.

Garden Club

Thank you, Dennis Voight for servicing the lawn tractor and getting it ready for the Season. The steering is much better! Thank you Glen Rossman for servicing the self-propelled lawn mower. Thank you, Roy Sheahen for donating a 2nd lawn mower for trimming around the trees and mowing the ditches. Thank you Linda and Dwight Davis for organizing the Garden Club again this year. The grounds look beautiful.

Trinity Bell Tower Paint

Volunteer painter or 2, able and willing to do some work from a ladder is needed. The frame members of the Bell Tower have a few areas that are peeling. The entire frame needs good preparation and a fresh coat or 2 of paint. Contact Tom Tuttle.

If you have any concerns or suggestions regarding the building or grounds, please feel free to mention them to any of the Building and Grounds committee members, Jon Hanson, Karl Omernick, Joel Thomas, Scott Theis or me. If none of us are around, drop a note in the message holder on the custodian's closet door in the narthex (the door between the 2 restrooms). Thank you for using the message holder and helping to identify things that need to be done.

Garden Club VOLUNTEERS NEEDED!

While the Garden Club has a small corps of regular volunteers gathering each Thursday morning, more help is needed! Please, if you enjoy working outside with yardwork, are looking for a way to serve SOTB, and would enjoy camaraderie with a nice group of fellow church members, here is a great opportunity! The Garden Club meets Thursdays from 8:30 to 10:30 and works on many assorted landscape tasks. "Members" mow, trim, sweep, fertilize, tidy up, edge, weed-wack, blow the walkways and driveway, etc. – all the efforts that, combined, show church pride and present a neat and attractive property as we welcome hundreds of church members and visitors each week for services, meetings, concerts, and weddings.

There is no regular commitment or experience required, and you can come for part of the scheduled time or all. Tools and direction are provided, and there are activities for all abilities. Garden Club members especially enjoy our break for conversation and refreshments! Shepherd of the Bay is the place to be on Thursday mornings! Church members and friends are all invited!

There was a flurry of activity on our opening Thursday morning (5/17) as the Garden Club team concentrated on repairing winter lawn damage, mowing, and spring trimming of shrubs and plants. Thank you to the following who contributed 52 man-hours of time and effort: Tim West; Jim Marsho; Jon Hanson; Bill Mirgain; Tim Tuttle; Glen Rossman; Pete Clikeman; Dave Boock.

We would also like to thank Bunny and Roy Sheahen for their donation of a needed lawn mower and spreader, and Glen Rossman and Dennis Voigt for servicing our mowers.

We are grateful for everyone's participation and talent!

Guatemala Mission Trip 2018

By Edee Madsen & Sue Meredith

The ELCA Initiative each year, "God's work. Our hands." seems like a very appropriate description of our Mission Trip this past April to Chichicastenango, Guatemala. We met and worked with amazing people to do God's work, but we were also far more blessed than we expected and our lives were forever changed.

Everyone at the Manos de Jesus campus was committed to share their talents and spread the Good News to the people of Chichi. It was a week of experiencing the overwhelming power of God's love with the Mayan people and each other. We were surrounded by enduring faith each day, and humbled by the spirit and strength in this community.

Working in this beautiful and mountainous city was challenging, but also evidence of the determination of the people there and how hard they have to work just to live out each day. Building houses, installing stoves, having fellowship with the families, providing new shoes and being a part of the foot washing were all special moments of our week. We ask for your continued prayers and support of this ministry as we prepare for the 2019 Trip.

Please pray about how you can participate in this mission activity....

Think about it..... Pray about it..... Join us

James 1:27 (NIV) "Religion that God our Father accepts as pure and faultless is this: to look after orphans and widows in their distress and to keep oneself from being polluted by the world."

Help Needed at the Door County Triathlon handing out Freeze Pops to runners.

We will be located on the corner of Horseshoe Bay Rd and Sunny Point Rd with great parking across the street at Sarkis Realty so we can come and go as needed. Help for an hour or stay all afternoon. **We will raise \$500 for projects for the Guatemala Mission Trip.**

Our booth is the best place to come if you need any positive affirmation. All afternoon we hear, "I love you guys!", "I look forward to these popsicles the whole race!", and "You're the best!"

Open to only the first 10 people to sign up! For more info, talk to Carol in the church office.

The committee had a meeting to discuss the starting of a campaign for the new roof and siding projects. Looking back on the building and loans of past SOTB projects, the committee reflected on these numbers:

Original building – loan of 1.1 million
Bell Tower addition – 280,000.00

Sundays Lessons for June

June 3 : Second Sunday after Pentecost

First Lesson : Deuteronomy 5:12-15
 Second Lesson : 2 Corinthians 4:5-12
 Holy Gospel: Mark 2:23 - - 3:6

Introduction to the readings: Deuteronomy makes clear that sabbath-keeping is meant for the welfare of all. God delivered the Israelites out of slavery, so they should not ever work anyone else seven days a week. Even slaves should be able to rest; even resident aliens. Yet human beings can turn even the most liberating religious practice into a life-destroying rule. Jesus does not reject sabbath-keeping, but defends its original life-enhancing meaning. Our worship and our religious way of life are to lead to the hungry being fed and the sick being healed.

June 10 : Third Sunday after Pentecost

First Lesson: Genesis 3:8-15
 Second Lesson: 2 Corinthians 4:13 - - 5:1
 Holy Gospel: Mark 3:20 - 35

Introduction to the readings: A house divided against itself cannot stand. Jesus makes this observation in light of charges that he is possessed. He is possessed, not by a demon, but by the Holy Spirit. We who have received the Holy Spirit through baptism have been joined to Christ's death and resurrection and knit together in the body of Christ. Those with whom we sing and pray this day are sisters and brothers of the Lord. With them we go forth in peace to do the will of God.

June 17 : Fourth Sunday after Pentecost

First Lesson: Ezekiel 17: 22-24
 Second Lesson: 2 Corinthians 5:6-10 [11-13] 14-17
 Holy Gospel: Mark 4: 26-34

Introduction to the readings: The mustard seed becomes a great shrub that shelters the birds, recalling ancient images of the tree of life. We'd expect a cedar or a sequoia, but Jesus finds the power of God better imaged in a tiny, no-account seed. It's not the way we expect divine activity to look. Yet the tree of life is here, in the cross around which we gather, the tree into which we are grafted through baptism, the true vine that nourishes us with its fruit in the cup we share. It may not appear all that impressive, but while nobody's looking it grows with a power beyond our understanding.

June 24 : Fifth Sunday after Pentecost

First Lesson: Job 38:1-11
 Second Lesson: 2 Corinthians 6:1-13
 Holy Gospel: Mark 4:35-41

Introduction to the readings: Now is the acceptable time; now is the day of salvation! Now we are in the storm, the boat almost swamped; but Jesus is here now, and when we call him he will calm the storm. Even the wind and waves listen to him as they would to their creator. We also listen to him and are called to believe in the power of God's word in him, a power greater than all that we fear.

Stephen Ministry

How long does grief last? As long as it takes. Everyone's timeline for grief is different, so one of the most caring things you can do for grieving people is to encourage them to grieve for however long as they need.

Stephen Ministers are here to listen. If you would like more information about how Stephen Ministry can help you, contact the church office at 854-2988.

Caring for Grieving People

Keep showing up after the cards and casseroles have stopped.

Be a listening ear—for the bereaved, talking is healing.

Accept people in their grief, whatever it may be like.

Continue to pray for them after the loss.
